# Our Father's World

GLOBAL AWARENESS

As Christians, we believe that God gives us gifts so that we can be a blessing to our neighbours, in both word and deed, no matter where they live.

CRWRF acts as a bridge between our Canadian churches and our neighbours in need who live far away.

Keep informed about the plight of your neighbour in the developing world. Join us in prayer.

## **Programs currently supported by CRWRF:**

*AIDS Relief in South Africa*

*Children's Programs in Kenya & Nicaragua*

*Community Development in Guatemala, Mali, Malawi & Mozambique*

*Relief & Rehabilitation in Sudan, Nicaragua & Peru*

*Short Term Volunteer Teams to the Dominican Republic & Kentucky and Mississippi in the USA*

## **CRWRF Best Practice:**

CRWRF selects partners whose programs assist the neediest people in society and who work to deal with the causes of poverty rather than just alleviate its effects.

## **FAMILY DEVOTIONS - JONAH 4**

Jonah was more concerned about a fig tree than about the Ninevites. He valued things based on their closeness or usefulness to him, rather than by God's evaluation of them. In our culture, what "fig trees" might block our view of global needs?

## **PRAY FOR**
